

MR-V2 proximity reader-circuit with 2SAFE technology

Reference: MR-V2
Product code: 20740435
EAN code: 3760248202891

Main characteristics

- 13.56MHz proximity reader circuit with 2SAFE technology
- For IP OPENER and EASYGATE controllers
- Supports ISOPROX cards and KEYPROX keyfobs

Dimensions: 72(W) x 35(H) mm

More information

Specifications	
Technology	2SAFE
Type Function	Slave
Reading / Detection Type	Proximity
RFID Frequency (MHz)	13.56
Use	Indoor
Mounting	Embedded
Incorporates base	No
Incorporates cover/front panel	No
State LEDs	Yes
Input voltage	12Vdc
Powered by controller	Yes
Dimensions - High (mm)	72
Dimensions - Width (mm)	35
Weight (gr.)	10

Accessories

- 1 door access control panel GM-IPOP-1P
- 4 door access control panel GM-IPOP-4P
- EASYGATE controller
- 2 door access control panel GM-IPOP-2P
- ISOPROX proximity card
