

EOC-100 ethernet to coaxial converter kit

Reference: EOC-100

Product code: 31600287

EAN code: 8429898020501

Main characteristics

- Passive ethernet to coax converter
 - Supports 10/100Mbps transmissions
 - Maximum distance of 100m with RG-59C (31680060)
 - Does not transmit PoE power
 - Allows replacement of existing analog camera by IP camera using the existing coaxial wiring

Number of elements: 2

Input: RJ45 x 1

Link connector: BNC x 1

Transmission: 10/100Mbps

Maximum distance: 100m (RG-59C)

Dimensions: 64 x 25 x 22 mm

Weight: 37g
