

PTZ WIFI autotracking camera CIP-004RS for residential

Reference: CIP-004RS
 Product code: 31692005
 EAN code: 8429898023038

Main characteristics

- 1080P HD resolution, clear and fine images
- AI human auto tracking and motion detection alarm
- Pan Rotation Range: 0-355°, Tilt Rotation Range: 0-65°
- 3D positioning: 15 presets positions for fast viewing
- Support up to 128GB TF Cards, Support Cloud recording storage
- Support ONVIF, WIFI Standard: IEEE802.11b/g/n (2.4ghz WIFI)
- Support Mobile monitoring and Control (iPhone, Android APP: IPC360)

Additional information

Image Sensor	T21N+F37	WiFi & Frequency	IEEE802.11 a/b/g/n; Frequency: 2.4~ 2.4835GHz
Resolution	2.0MP(1080P)	Wireless LAN security	64/128-bit WEP/WPA-PSK /WPA2-PSK data encryption
Compresión de vídeo	H.264 Dual Stream	Protocols	Puwell Private Protocol
Sensitivity	0.1Lux (colour) / 0.01Lux (white&black)	Mobile APP	IPC360
Day night mode	Infrared dual-filter automatically switches	Reset	One key reset
Lens	3.6mm 1080P HD lens	Material	ABS
Pan/Tilt	Pan:0-355° Tilt: 0-90°	Product Size	Φ90*120mm
Preset position	Support 15 presets positions for fast viewing	N.G	260g
Audio Code	AAC/G.711, support two-way voice	Status indicator	1pc Two-color LED
Speaker	8Ω 1W	IR LEDs	9pcs IR Leds
Intelligent alarm	Human auto tracking, Motion detection	Working conditions	10°C~+50°C@Himidity 10%~95% no condensation
Storage Local	1 TF(Micro SD)storage interface, up to 128G/Cloud storage	Storage conditions	40°C~+75°C@Himidity 10%~95% no condensation
Cloud Storage	Support	Power Source	Micro USB, DC5V 1A
Network interface	1*RJ45 10M/100M Adaptive Ethernet port	Power consumption	<5W
